Agrarian Dreams The Paradox of Organic Farming in California

Despite believing in organic food herself, Guthman's *Agrarian Dreams* is a well-theorized and deeply researched critique of organic agriculture. Just as Guthman takes on anti-obesity campaigns and the bulk of food activism efforts in her subsequent books, she bravely critiques aspects of the food system that are assumed to be "good" and beyond repr

Book Description: In an era of escalating
food politics, many believe organic
farming to be the agrarian answer. In
this first comprehensive study of organic
farming in California, Julie Guthman
casts doubt on the current wisdom about
organic food and agriculture, at least as
it has evolved in the Golden State.

been nothing less than extraordinary in exposing the public health, environmental, and moral risks of industrialized agriculture.

Agrarian Dreams: The Paradox of Organic Farming in ...

I completed most of the research for the first edition of *Agrarian Dreams* about fifteen years ago—sometime in 1998—and then began writing the dissertation that was to become this book. When it was finally published, in 2004, there were very few scholarly publications on organic agriculture and thus a good many assumptions to call into question.

Agrarian Dreams: The Paradox of Organic Farming in ...

Agrarian Dreams | In this groundbreaking study of organic farming, Julie Guthman challenges accepted wisdom about organic food and agriculture in the Golden State. Many continue to believe that small-scale organic farming is the answer to our environmental and health problems, but Guthman refutes popular portrayals that pit "small organic" against "big organic" and offers an alternative ...
