adopted by Allen-Bradley for use in all its publications. They are in accordance with NEMA standards. The Allen-Bradley Company is very inter- ested in helping engineers, electricians and students to a better understanding of motor control equipment. It is our hope that this booklet furthers this purpose.

The Allen Bradley Logix5000 family (ControlLogix, CompactLogix, FlexLogix, SoftLogix) has some very good manuals. If you are just starting out or need a refresher here are the key manuals and the order I would read them. If you have RSLogix 50000 installed then you will find some of these in the Help > Online Books menu.
