Another day has gone I'm still all alone  
How could this be You're not here with me  
You never said goodbye Someone tell me why  
Did you have to go And leave my world so cold  
Everyday I sit and ask myself  
How did love slip away Something whispers in my ear  
and says That you are not alone I am here with you  
Though you're far away I am here to stay
