Anticipation Guide An anticipation guide is a series of statements that students are asked to note their opinion about (e.g., agree/disagree). The idea behind an anticipation guide is for students to think about what they already know, consider what they do not know, and revisit after instruction to evaluate if their opinion has changed and why.

A graphic organizer is pretty much just what it sounds like: a way to organize ideas and thoughts visually. When my students will be working on a writing assignment, I like to create graphic organizers that break down the writing into step-by-step processes. If possible, I'll include tips or prompting questions on the worksheet as well.
