bugera 333xl decided to stop hi i,m new to this site and it sound like somebody might be able to help me.Haven,t long had this amp cause i normally use a Sans Amp psa-1.Thought it would be nice to play threw some valves again and it was for a week or two.

### Bugera 333xl-212 big problem - Music Electronics Forum

i ve had the Bugera 333xl-212 for 2 months now, which i bought despite having heard about the product problems. so here's the problem. I just turned off the amp without having fully turned the volume all the way down. After 10 seconds the amp made a noise like the volume swelling and then silence (it was turned off at the time).

### Bugera 333xl-212 Issue - Music Electronics Forum

Bugera, founded in 2000, is a manufacturer of guitar and bass amplifiers, speakers, and vacuum tubes. Our amps feature our "Infinium" technology which extends the life of your tubes.
