Blue Blood True Blood Conflict

True Blood is an American fantasy horror drama television series produced and created by Alan Ball. It is based on The Southern Vampire Mysteries, a series of novels by Charlaine Harris. A reboot is currently in development. The series revolves around Sookie Stackhouse (Anna Paquin), a telepathic waitress living in the fictional rural town of Bon Temps, Louisiana.

True Blood - Wikipedia

Vampires are a supernatural species of sentient reanimated corpses that drink blood to survive and maintain their powers. They were originally humans or other living beings converted into a vampire by a "maker." Being technically deceased, their primary characteristics include a lack of a heartbeat, body heat, brainwaves, electrical impulses, need to breathe, and other bodily functions. They ...

BLUE. When we say color BLUE, the immediate images that come to mind are those that speak of calm and tranquility. Blue Color Personalities are known as the "artists" in the True Colors typology. In addition, since they are the sensitive ones, the peace-bringers, the mediators, they are the "nurturers" among the Color Personalities.

If Dexter: New Blood follows the Dexter formula, it is likely that Dexter will discover the identity of the serial killer mid-way or two-thirds of the way through the season and the conflict will resolve towards the end. This still leaves at least several episodes before viewers might get a concrete answer to the central mystery.
