Interesting tidbit #2: The shots of the busy school hallway was populated by the cast of a high school production of *Little Shop of Horrors* who were rehearsing near by. Their costumes fit the period so we grab them on a break and shot the hall way scenes. Caught has played in festivals around the world. Directed by David C. Jones

Hand feeding babies from day one is a last resort because they do grow much more slowly than when fed by their own parents, and sometimes they just don't make it. Sometimes food will start coming out of the baby's mouth as you're pressing the plunger. This probably means the tubing is not in far enough.
