lathe-manuals directory listing - Internet Archive

This particular lathe manual can become confusing to many people, because the model number was changed a couple of times during production of the same lathe. The reason for the changes comes from the fact that Atlas bought Clausing in 1950 and changed the Clausing 100 Series to and to an Atlas branded 4800 series.

Clausing Lathes - Machinist Web

I think the lathe is probably a Series 100 MK(3)a. I have a Model 110 waiting for a rebuild & restore. I was told the 100,110,111 were the same lathe in different lengths.The 100 series became the Atlas 4800 after Atlas bought Clausing. The model 110 I have will do 26", probably 24" nominal- between centers.
