Communication Ethics Universal Values

Communication Ethics and Universal Values. This volume will revolutionize the field of communication ethics by identifying a broad-based ethical theory of communication. Returning to bedrock ethical principles found across cultures, such as justice, reciprocity, and human dignity, Communication Ethics and Universal Values transcends the world of mass media practice to uncover a more humane and responsible code of values which society as a whole can adopt and accept.

SAGE Books - Communication Ethics and Universal Values

Ethical communication values freedom of expression, diversity of perspective and tolerance of dissent. But while ethical communication should be honest and straightforward, it should never offend or provoke listeners. Ethical communication allows access to the resources and facts that helped formulate the message.
