Eugenic Nation: Faults and Frontiers of Better Breeding in ...

Eugenic Nation begins in the 1900s, when influential California eugenicists molded an extensive agenda of better breeding for the rest of the country. The book traces hereditarian theories of sex and gender to the culture of conformity of the 1950s and moves to the 1960s, arguing that the liberation movements of that decade emerged in part as a challenge to policies and practices informed by eugenics.

eugenic nation book review - scandiagolfandgames.com

Eugenic Nation: Faults & Frontiers of Better Breeding in Modern America by Alexandra Minna Stern, 2005, is such a book. The latest books on eugenics that are primarily aimed at exposing the evil of White nativism or racism, try to tell a horrific story about eugenics, then they accept that eugenics is indeed back and here to stay.
