harley-davidson © engines When the heart of your Harley motorcycle gets a little tired we can help wake it up. We offer complete crate motors and short block assemblies for a wide variety of models, or we can supply a factory-fresh Twin-Cam LongBlock complete with your original VIN to get you back on the road.

Replacement and Crate Engines | Harley-Davidson USA

For right now it runs great. Only thing I notice is a little bit of oil in the base gasket area but not enough to worry about i guess. I like the engine but the new ones are probably far better. I have a S & S on it. Cold starts around 25-30 are rough at times. This one is my first Harley, I think I got a pretty descent bike.
