Institutional racism, also known as systemic racism, is a form of racism that is embedded in the laws and regulations of a society or an organization. It manifests as discrimination in areas such as criminal justice, employment, housing, health care, education, and political representation.. The term institutional racism was first coined in 1967 by Stokely Carmichael and Charles V. Hamilton in ...

If we can’t rely on the accused getting a fair trial, and we can’t rely on the appeal system to efficiently correct wrongful convictions, what we have is a criminal injustice system. Addressing this shortcoming, former High Court judge Michael Kirby has written (for a paper in a forthcoming book): ‘There is a need in Australia for greater ...

Whiteness as the only representation of humanness is in the "air," so to speak, of Western psychology, something many writers, researchers, and psychotherapists of color have written upon (see end of article for resources), and a few white authors have noted as well, Dr. Gina deArth 1 among them. In my experiences speaking and writing about racial identity and racism as a white person in ...

Intellectual origins of United States prisons. Incarceration as a form of criminal punishment is "a comparatively recent episode in Anglo-American jurisprudence," according to historian Adam J. Hirsch. Before the nineteenth century, sentences of penal confinement were rare in the criminal courts of British North America. But penal incarceration had been utilized in England as early as the ...
