An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

The shocking, definitive account of the 2020 election and the first year of the Biden presidency by two New York Times reporters, exposing the deep fissures within both parties as the country approaches a political breaking point. This is the authoritative account of an eighteen-month crisis in American democracy that will be seared into the country's political memory for decades to come.

Margaret was a very talented woman and loved to sew everything from quilts, clothing for her children, knitting and crocheting hundreds of baby sweaters. She also loved to garden and tend to her flowers and vegetables. She loved the cats and kittens on the family farm and she loved to challenge herself with crossword puzzles and sudokus.
