reading does not do him good as the answers are straight from the book - meaning even if you provide the correct answer but doesn't match the answer book, you are wrong!

About Kumon - The Good, The Bad and The Ugly

I am in Japan, the origin of kumon, and I hate it. Really, my parents force me to do it. At school, a international school, everyone hates it. No one like it, except the kumon instructors! They don't think! Even, 1+1 questions, they see the answer note book to check! All they do is say "Good Job, you did well" and get money. They even make us pay electric ...

A curriculum may be partly or entirely determined by an external, authoritative body (e.g., the National Curriculum for England in English schools, or the International Primary Curriculum for International Schools).. Crucial to the curriculum is the definition of the course objectives that usually are expressed as learning outcomes and normally include the program's assessment strategy.

Curriculum - Wikipedia

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
