The International Standard Classification of Occupations (ISCO) is an International Labour Organization (ILO) classification structure for organizing information on labour and jobs. It is part of the international family of economic and social classifications of the United Nations. The current version, known as ISCO-08, was published in 2008 and is the fourth iteration, following ISCO-58, ISCO ...

International Standard Classification of Occupations ...

The Institute quickly prepared specifications for items such as fire hoses, pneumatic tires, and shoe sole leather and recommended simplified practices, such as reducing the number of milk bottle designs from 49 to nine. American industry saved tens of millions of dollars through simplification.

The Roaring Twenties: Overview - NIST

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Ebook - Wikipedia
