1. Real-time rendering with LiveSync. Lumion LiveSync for SketchUp is the free, real-time rendering plugin that seamlessly connects your SketchUp 3D model to a live Lumion project. Changes to your 3D model are immediately reflected in Lumion’s beautiful, fully-featured environments, giving you a window to your design as it would look in its real-life or conceptual setting.

Render Your SketchUp Designs with Lumion Architectural ...

Lumion 7.5 Trial was released before SketchUp 2018 existed. Unfortunately the SketchUp developers changed the .SKP file format in version 2018 which made it incompatible with Lumion 7.5 and older versions. To resolve the problem, simply save the .SKP format as a SketchUp 2017 file in SketchUp 2018 and import that version in Lumion.
