Religious institutions usually are subject to laws of general applicability. A particularly contentious situation involves the interplay between one such generally applicable law, the federal Fair Labor Standards Act, providing minimum wage and overtime premium pay to employees, and religiously affiliated institutions operating as employers of largely secular enterprises.

Religion in the Workplace - FindLaw

Byzantine art, the visual arts and architecture produced during the Middle Ages in the Byzantine Empire. Almost entirely concerned with religious expression, Byzantine art is known for the mosaics covering the interior of domed churches. They often feature flat and frontal figures floating on a golden background.
