Pro 2 Obesity, like other diseases, impairs the normal functioning of the body. People who are obese have excess adipose (or fat) tissue that causes the overproduction of leptin (a molecule that regulates food intake and energy expenditure) and other food intake and energy mediators in the body, which leads to abnormal regulation of food intake and energy expenditure.

Obesity - Pros & Cons - ProCon.org

Pro 2 A vegetarian diet is more healthful than a carnivorous diet. According to the American Dietetic Association, a vegetarian diet can meet protein requirements, provide all the essential amino-acids (the building blocks of protein), and improve health.

Pro 7 Print textbooks are heavy and cause injuries, while a tablet only weighs 1-2 pounds. Pediatricians and chiropractors recommend that students carry less than 15% of their body weight in a backpack, but the combined average weight of textbooks in History, Mathematics, Science, and Reading/Language Arts exceeds this percentage at nearly all grade levels from 1-12.

Tablets vs. Textbooks - Pros & Cons - ProCon.org

Standardized tests have been a part of American education since the mid-1800s. Their use skyrocketed after 2002's No Child Left Behind Act (NCLB) mandated annual testing in all 50 states. US students slipped from being ranked 18th in the world in math in 2000 to 40th in 2015, and from 14th to 25th in science and from 15th to 24th in reading.

Teacher tenure is the increasingly controversial form of job protection that public school teachers in 46 states receive after 1-5 years on the job. An estimated 2.3 million teachers have tenure. Proponents of tenure argue that it protects teachers from being fired for personal or political reasons, and prevents the firing of experienced teachers to hire less expensive new teachers.

2. Consider the pros and cons with a video from Above the Noise. 3. Explore conservationist Damian Aspinall's opinion that zoos are "outdated and cruel." 4. Consider how you felt about the issue before reading this article. After reading the pros and cons on this topic, has your thinking changed? If so, how? List two to three ways.

Zoos - Top 3 Pros and Cons - ProCon.org

Carrying a concealed handgun in public is permitted in all 50 states as of 2013, when Illinois became the last state to enact concealed carry legislation. Some states require gun owners to obtain permits while others have "unrestricted carry" and do not require permits. Proponents of concealed carry say concealed carry deters crime, keeps individuals and the public safer, is protected by ...

Concealed Handguns - Pros & Cons - ProCon.org

Social Security accounted for 23% (\$1 trillion) of total US federal spending in 2019. Since 2010, the Social Security trust fund has been paying out more in benefits than it collects in employee taxes, and is projected to run out of money by 2035. One proposal to replace the current government-administered system is the partial privatization of Social Security, which would allow workers to ...
