Ovie Ejeheri: Hardly tested in terms of making saves but was generally confident with his feet except for one close shave in which he nearly gave the ball to Chris Sze in the second half.6.  
Zak Swanson: Had a surprisingly high number of chances for a right back but was generally wasteful with them.Unlucky to see Jamie Jones make such a fine save for one shot though.

With a quick sigh of relief, I consoled her. Cast-iron skillets are naturally prone to rust. But even if it has turned bright orange, the pot absolutely can be fixed. (Even if you snag an old, rusty skillet at the flea market, that orange will come off!) It only takes a few simple steps to have your rusted cast iron looking brand-new.

A few years ago, I passed on a Chicago 8' at an estate sale I could have had for \$200. It was sitting out in a muddy backyard, left out in the weather (abused tools and machinery are a real pet peeve of mine!!!). Rusty, but salvageable, would have needed a full disassembly, sandblast, repairs, etc.
