The Closing of the Frontier. By the end of the nineteenth century, the West was effectively settled. Railroads stretched across all parts of the region, from the Great Northern, which ran along the Canadian border, to the Southern Pacific that ran across Texas and the Arizona and New Mexico territories to link New Orleans and Los Angeles.

The Closing of the Frontier - CliffsNotes Study Guides

The American frontier (also known as the Wild West or the Old West) includes the geography, history, folklore, and cultural expression of life in the forward wave of American expansion that began with European colonial settlements in the early 17th century and ended with the admission of the last few territories as states in 1912. This era of massive migration and settlement was particularly ...

American frontier - Wikipedia

The Comstock Lode, which produced over \$300 million in gold and silver over a twenty-year period, was discovered in 1859 in western Nevada. Miners flocked to Idaho and Montana in the 1860s and followed the lure of gold into the Black Hills in the Dakota territory in 1875 (a violation of Sioux treaty rights that led to the Battle of the Little Bighorn).
