### **Social Conflicts In The Roman**

"Social Conflicts in the Roman Republic" is a decent sketch of Roman history from the early Republic until Augustus. Don't let the title fool you - it's pretty much straight-up political history with a slightly social bent. The book is short (only 164 pp.) but well written and occasionally insightful.

### **Amazon.com: Social Conflicts in the Roman Republic ...**

In this book P. A. Brunt is concerned with social conflicts throughout the history of the Roman Republic. While his main emphasis is on the discontents of the rural and urban poor, he also discusses the internal struggles within the propertied class, for at times it was among sections of the propertied class, denied the political power or social esteem to which they aspired, that the poor found support against the narrow ruling oligarchy.

### **Social Conflicts in the Roman Republic by P.A. Brunt**

Consequently, Rome held an increasing potential for social discontent and conflicts without a corresponding increase in means of control. The family, regarded by Romans as a mainstay of the social order, also was affected by the wider economic and social transformations of the 2nd century bc. In the early republic the family had formed a social, economic, and legal unity.
