The 8 Core Principles of Good Customer Service

Here are seven customer service principles that can help you transform your support operations and deliver the best experience every time. 1. Support customers as a team. Customer service is a team sport — and not just for your customer support team. Train every employee on your helpdesk software so they can all pitch in when times are busy. Sure, you'll want to pass highly technical cases to the experts, but everyone needs to be able to help out.
