THE NECESSARY - modern humanism

The Cambridge dictionary defines intimacy as 'the state of having a close personal relationship with someone'. It is the feeling of being connected with another person from the heart, mind, and soul. Two people can be said to be intimate when they feel close and comfortable enough to show each other their vulnerable sides and share each other's lives in Toto.

Of course women should have rights. This is coming from a young man (19, almost 20) who thinks that sometimes, some women abuse their 'equal rights' by having a go at men and getting in their faces, simply because they understand that most men aren't likely to do much about it just because it is seen as unacceptable to defend yourself against a female.
