The Trouble with the Congo: Local Violence And The Failure ...

"Trouble with the Congo is a magnificent accomplishment and is must-reading for anyone interested in whether, why, and how the international community might be able to reduce the cases of violence around the world. Scholars will admire how Autesserre uses a combination of theoretical analysis and ethnography to show us how two different worlds collide, and how peacebuilders do not see the ...

The Trouble with the Congo: Local Violence and the Failure ...

Although the war in Congo officially ended in 2003, two million people have died since. One of the reasons is that the international community's peacekeeping efforts there have not focused on the local grievances in eastern Congo, especially those over land, that are fueling much of the broader tensions. Until they do, the nation's security and that of the wider Great Lakes region will remain ...

The Trouble With Congo | Foreign Affairs

The Trouble with the Congo : Severine Autesserre ...

Severine Autesserre is an Assistant Professor of Political Science at Barnard College, Columbia University. She is the author of The Trouble with the Congo: Local Violence and the Failure of International Peacebuilding, which won the 2012 Grawemeyer Award for Ideas Improving World Order.

The Continuing Trouble with the Congo - By Severine ...

Autesserre's book provides a unique ethnography of the UN in the Congo, the outlook and values of its staff, and its operational logic. The author's main argument is that the internal culture of the UN and the socialization of its diplomats have blinded the MONUC from properly emphasizing the local causes for the conflict in eastern Congo.

The Trouble with the Congo: Local Violence and the Failure ...

The Trouble With Congo the Tutsis, the Hutus, and other groups. Since then, clashes have killed hundreds, maybe thousands, of fighters and civilians and forced half a million people to relocate. Congo is now the stage for the largest humanitarian disaster in the world-far larger than the crisis in Sudan.

The Trouble With Congo - JSTOR

In an IPI roundtable discussion launching her new book, The Trouble with the Congo: Local Violence and the Failure of International Peacebuilding, Dr. Séverine Autesserre argued that international peacebuilding efforts in the Congo have largely failed because they have focused exclusively at the macro-level, without also analyzing and addressing the micro-dynamics of conflict.

The Trouble with the Congo - Purchase now!

Séverine Autesserre's 'The Trouble with the Congo' is a brilliant book, it describes in detail the plan the UN used in the DRC and why she believes it failed, her arguments are strongly supported. I would recommend this to anyone who wants to gain insight into the ongoing conflict in the DRC.
