Parent | Definition of Parent at Dictionary.com

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively for a biological relationship.

Parenting - Wikipedia

Being a parent is a major responsibility. You are in charge of raising an individual to the point of adulthood with the goal of turning him or her into a valuable member of the community. This undertaking requires care, love, understanding and the ability to keep the children on the right path. If done right, it is one of the hardest things you will do, but it also will be one of the most rewarding.
